

Small Groups

Do you want to get to know other people outside our regular Sunday Services? Do you want to deepen your understanding of the Christian life and what the Bible means when it talks about living in community? Christianity is not a solo hike. Rather, it is a community which walks through the highs and lows of life together.

Small Groups are where these things happen best. They:

- Deepen our understanding of the bible
- Provide a caring, nurturing environment where we pray together
- Help us live an authentic Christian life
- Show us what it means to live in community
- Strengthen our relationship with God
- Provide avenues for practical Christian service

We have a variety of small groups of 10-20 people at Auckland Bible Church made up of people at different ages and stages. Have a look at the profiles. Hopefully you will find something that interests you.

We've used a variety of study material from DVD based topical discussion through to biblical book studies. For the end of 2011/start 2012 we are studying Thessalonians, using a John Stott guide. We always include a time of sharing, prayer, and of course the all-important supper!
